Subject: Offer of Virtual Internship in Power BI

Dear kndsnd,

Following your enrollment and successful payment verification, we are pleased to offer you a virtual internship opportunity at TRHvision. You are appointed as an Intern in the Power BI domain.

Your internship is scheduled to begin on March 04, 2026 for a duration of 3 Months. This is a self-paced, self-sponsored training and internship program designed to provide you with hands-on industry experience, working on real-world tasks and capstone projects under the guidance of our mentors.

During this period, you will be expected to complete all assigned curriculum modules, participate in program assessments, and submit your project work. Your progress will be tracked via your student dashboard. Upon successful completion of all tasks and validation of your project submission, you will be awarded your verified Internship Completion Certificate.

We welcome you to TRHvision and wish you a highly productive and enriching learning experience.
